

Physician Referral and Information at Stanford Medicine

Send and manage radiology orders online

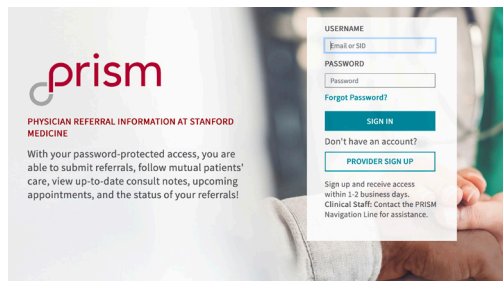

What is PRISM?

Physician Referral Information at Stanford Medicine (PRISM) is our online portal for referring physicians, allowing you to:

- Send specialist referrals online
- Access medical records
- Update referrals or orders with additional documentation
- Add delegates
- **Send radiology orders online**
- **Access radiology reports**
- **Access radiology images**
- Check referral or order status
- Message Stanford providers

NEW SERVICE NOW AVAILABLE

Online Radiology Orders

Portal to include Medicare (CMS) mandate support features, such as:

- **Clinical Decision Support Mechanism (qCDSM)** when ordering advanced diagnostic imaging services.
- **Advance Beneficiary Notice (ABN)** – notification that services are likely not covered by Medicare

Access Radiology Images

Radiology images are viewable in the eUnity Viewer through PRISM.

- Delivers images from the eUnity/PACS platform
- eUnity Viewer offers improved compatibility for both PC and Mac including the Google Chrome, Mozilla, Firefox and Safari browsers .
- We do not recommend using the Internet Explorer or Edge browsers at this time due to some limitations.
