Stanford Health Care invites you to a community talk about colorectal cancer. Colorectal cancer is one of the most common cancers in the United States. Thanks to an increased number of medical advancements, there are more survivors than ever before. Join Stanford Medicine physicians as they discuss the latest screening, diagnostic tools and treatment options.

**JOIN US ON THURSDAY, MARCH 26 • 6:30PM – 8:00PM**

Villa Ragusa • 35 South Second Street • Campbell, CA

*Free parking*

RSVP at: [stanfordhealthcare.org/events](https://stanfordhealthcare.org/events) or call **650.736.6555**. This event is free and open to the public. Please register, seating is limited.
