

# Leukemia & Lymphoma Support Group - Online

## Cancer Supportive Care Program

Offered online via Zoom, this support group is open to patients with leukemia, lymphoma, Hodgkin's disease, myeloma, or myelodysplastic syndromes. This group is designed to provide mutual support and education to members who could benefit from meeting with others whose situations are similar to their own. Family support groups work in conjunction with a patient's medical treatment. Caregivers, family, and friends are welcome.

**Registration required.** Contact Elizabeth Kerr, MSW at 650-308-6274 to register.
