Bariatric surgery

Description: (see Advanced Laparoscopic Surgery) Request Appendix 1 and 2 from the Medical Staff Office

Request	<p align="center">Request all privileges listed below. <i>Uncheck any privileges that you do not want to request.</i></p>	Division Chief Rec	Service Chief Rec
	<p>Accepted Standard Bariatric Surgery Procedures: Roux-en-Y Gastric Bypass, Adjustable Gastric Banding, Sleeve Gastrectomy, Urgent or Emergent Surgery Due to Complications from Bariatric Surgery, Revisional Bariatric Surgery. Any additional procedure for weight loss not on the Accepted Standard Bariatric Surgery Procedures List must be approved in advance by the Chief of Bariatric Surgery.</p>		

Qualifications

- Newly trained surgeons <3 years from residency/fellowship**
- Successful completion of an ACGME approved General Surgery residency or equivalent for foreign trained physicians
 - Satisfactorily completed a general surgery residency and performed at least 100 laparoscopic bariatric operations and at least 10 open bariatric procedures
- OR**
- Satisfactorily completed a general surgery residency followed by a Fellowship Council approved bariatric surgery fellowship where at least 100 laparoscopic bariatric operations and at least 10 open bariatric procedures are performed
- OR**
- Satisfactorily completed a general surgery residency with 10 open bariatric procedures followed by a Fellowship Council approved bariatric surgery fellowship where at least 100 laparoscopic bariatric operations were performed.
 - Certification by American Board of Surgery (ABS) or American Osteopathic Board of Surgery (AOBS); or, ABS/AOBS board eligible, which is contingent upon completion of oral ABS/AOBS or equivalent for foreign trained physicians.
- Established Surgeons > 3yrs**
- Completion of general surgery residency and Fellowship Council bariatric fellowship OR ,if no fellowship performed, documentation of 500 lifetime bariatric cases
 - Completion of general surgery residency and Fellowship Council bariatric fellowship OR ,if no fellowship performed, documentation of 500 lifetime bariatric cases
 - Non-Board Certified Surgeons will not be considered for Stanford University Medical Center Privileging in Bariatric Surgery.
 - Surgeon experience: 100 approved cases over past 24 months. Applying surgeons must submit their past two year bariatric experience to the Director of Bariatric Surgery using the Appendix 2 case log format. Based upon review, privileges will be granted on a procedure by procedure basis for the Accepted Standard Bariatric Surgery Procedures.
- Renewal Criteria**
- All surgeons must maintain at least 100 cases over 24 months and submit case logs (see Appendix 2) annually to the Chief of Bariatric Surgery. Each bariatric surgeon who successfully performs 500 bariatric cases at Stanford will always be considered a bariatric surgeon in good standing from a volume standard.

FPPE

Bariatric Surgery - Must be successfully proctored in the OR by the Chief of Bariatric Surgery for 3 cases with a total of 10 cases to be submitted in writing adhering to the Appendix 2 format. Until proctoring is complete, privileges are temporary.

Acknowledgment of Applicant

[applicant]

I have requested only those privileges for which, by education, training, current experience and demonstrated performance, I am qualified to perform, and that I wish to exercise at Stanford Hospital & Clinics. I also acknowledge that my professional malpractice insurance extends to all privilege I have requested.

I acknowledge I have met the minimum number of cases required as identified for privileges.

I understand that in exercising any clinical privileges granted, I am constrained by hospital and medical staff policies and rules applicable generally and any applicable to the particular situation.

By clicking on the "Submit" button below, I have electronically signed, dated and submitted this privilege request _____ Date

Service Chief Recommendation - Privileges

I have reviewed the requested clinical privileges and supporting documentation and make the following recommendation(s):

Privilege	Condition/Modification/Deletion/Explanation

Service Chief Recommendation - Proctoring Requirements

Division Chief/Designee - By clicking on the 'Submit' button below, I have electronically signed, dated and approved this privilege request _____ Date

Service Chief/Designee - By clicking on the 'Submit' button below, I have electronically signed, dated and approved this privilege request _____ Date
