Staff and Patient Safety

In the event of an actual or perceived threat of workplace violence, conduct the following:

• If you are located in the hospital, call the security operations center by dialing 211 from any hospital phone. If you are located offsite, dial 911.

• Be able to describe the incident, provide exact location, and guide response team to location if necessary.

• Report incidents of workplace violence that involve patients or their families and visitors in the Stanford Alerts For Events (SAFE) system.
