Cancer Supportive Care Program
Living With, Through, and Beyond Cancer

Events Calendar
January – June 2019

Vea adentro las clases que se ofrecen en español.
The Cancer Supportive Care Program is here to partner with you to offer hope and personalized support for you or a loved one before, during, and after your treatment to heal your mind, body and spirit.

Call to schedule an appointment or speak to one of our Supportive Care nurses to discover which services best meet your needs. Services are free and open to all cancer patients no matter where you receive your care.

◆ San Jose, Los Gatos, and Santa Clara
Parenting at a Challenging Time: Help for parents with cancer

Presenter: Emily Ach, PhD, Assistant Clinical Professor, Department of Psychiatry & Behavioral Science, Stanford University School of Medicine

This talk will review children and teens understanding of illness from a developmental perspective and address rationale and approaches for talking with kids about a parent’s illness, treatment, and prognosis. The presentation will be based on the Parenting at A Challenging Time program developed in Boston by child development experts with the express goal of improving parent-child communication and promoting resilience when a parent is ill.

January 31, 2019
6:30 pm – 8:00 pm

Stanford Health Library
211 Quarry Road
2nd Floor, Suite 201
Palo Alto, CA

Registration required. Call 650-725-9456.

Panic to Powerful

Presenter: Nina Weil, Certified Cancer Journey Coach, Certified Healing Touch Practitioner

A cancer diagnosis often creates an overwhelming panic for patients, survivors and caregivers. The Panic to Powerful workshop introduces you to Cancer Journey tools to support shifting out of panic into personal self-empowerment.

With Cancer Journey’s S.L.A.M.S. model and the Cancer Journey Roadmap, learn to identify where you are now and where you want to go to reclaim your sense of well-being.

March 27, 2019
6:30 pm – 8:00 pm

Redwood City Downtown Library
1044 Middlefield Road
Community Room
Redwood City, CA

Registration required. Call 650-725-9456.

Nutrition: myths, beliefs, best diet for cancer prevention

Presenter: Erika Connor, RD, CSO, Dietitian, Oncology/Hematology, Stanford Health Care

Is there really a “best diet” for cancer prevention? Nutrition is an important part of cancer treatment. Eating the right foods before, during and after treatment can help you feel better and stay stronger. This lecture will provide you with information about current nutritional guidelines for the person with cancer and dispel some of the myths.

May 15, 2019
6:30 pm - 8:00 pm

Cambrian Branch Library
1780 Hillsdale Ave
San Jose, CA

Registration required. Call 650-725-9456.
Cancer: Survive and Thrive Workshop

Putting your life back together after you have completed your cancer treatment can be challenging. This six-week course led by facilitators who understand cancer survivorship introduces you to tools and techniques that will help you manage your physical and emotional health as you transition to a “new normal” after cancer. This free course is for people who have completed their cancer treatment or are on long-term therapy.

Saturdays for 6 consecutive weeks
5/11, 5/18, 6/1, 6/8, 6/15, 6/22, 6/29
No class: 5/25
10 am - 12:30 pm

Stanford Health Library
211 Quarry Road, 2nd Floor
Room 201
Palo Alto, CA

Registration required. Call 650-725-9456.

Thursdays for 6 consecutive weeks
6:00 pm - 8:30 pm

Stanford Cancer Center South Bay
2589 Samaritan Drive
3rd Floor, Room CC3300AB
San Jose, CA

Registration required. Call 669-233-2807.

Caregivers Workshop

Helping a loved one through cancer treatment can be stressful. The Caregiver Workshop gives caregivers and family members skills and resources to help.

January 10, May 8, 2019
5:00 pm – 7:00 pm
Stanford Cancer Center
875 Blake Wilbur Drive
2nd Floor, CC2105, Palo Alto

Registration required. Call 650-725-9456.

March 6, June 6, 2019
5:00 pm – 7:00 pm
Stanford Cancer Center South Bay
2589 Samaritan Drive, 3rd Floor
Room 3300B, San Jose, CA

Registration required. Call 669-233-2807.
Healing Touch
Healing Touch is a relaxing, nurturing energy therapy provided by trained practitioners. It promotes deep relaxation, stress reduction and has been shown to reduce the side effects of chemotherapy and radiation therapy including fatigue, nausea, loss of appetite, pain, lymphedema and peripheral neuropathy.

Healing Partner
This program is personally designed for eight weekly Healing Touch sessions with the same provider while you are experiencing cancer.

For more information, or to be placed with a Healing Partner provider near you call 650-725-9461 or email cscphealingpartners@stanfordhealthcare.org

Individual appointments are available if you want to discover the benefits of Healing Touch or are waiting to be placed in our Healing Partner program. Registration required. To register, call 650-725-9456.

Every Monday and Thursday
5:30 pm, 6:30 pm, and 7:30 pm
No sessions: 12/31, 1/3, 1/21, 5/27, 5/30

Knitting/Crocheting with Friends
The repetitive rhythm and movement of knitting and crocheting can be relaxing for the mind and body. Join our volunteers for conversation and encouragement. No experience is necessary, supplies are available for beginners. If you have a project you are working on, bring it in and knit with friends. Patients, families, and staff are invited!

Every Wednesday
11:00 am - 1:00 pm
No meeting: 1/2, 5/29

Stanford Cancer Center
875 Blake Wilbur Drive
2nd floor, waiting area by elevator
Palo Alto
No registration necessary, just drop in.

Lymphedema Risk Reduction Workshop
Learn what every cancer patient needs to know about lymphedema - what causes it, the early signs and symptoms, how to decrease your risk, and what resources are available.

Second and fourth Mondays of the month
2:00 pm – 3:00 pm
No class: 5/27

Stanford Cancer Center
875 Blake Wilbur Drive
2nd Floor, Room CC2102, Palo Alto
Registration required. Call 650-725-9456.
Managing & Understanding Your Chemotherapy

Are you or someone you care for about to start chemotherapy for the first time? An experienced oncology nurse provides up-to-date information about chemotherapy, biotherapy, and immunotherapy along with a tour of the infusion center.

Every Monday and Thursday
2:00 pm – 3:30 pm
No class: 12/31, 1/21, 2/18, 5/27
◆ Stanford Cancer Center
875 Blake Wilbur Drive
2nd Floor, Room CC2104, Palo Alto
Registration recommended, walk-ins welcome. Call 650-725-9456.

Every Tuesday
5:00 pm – 6:30 pm
No class: 1/1
◆ Redwood City Outpatient Center
450 Broadway Pavilion B
3rd Floor, Room B35, Redwood City
Llame para registrarse: 650-724-6140

◆ Stanford Cancer Center South Bay
2589 Samaritan Drive
3rd Floor, Room 3300B, San Jose
Registration required. Call 669-233-2807.

Herramientas Para Entender y Manejar Su Tratamiento Para el Cáncer

Esta clase ayudará a los pacientes a entender los posibles efectos secundarios de los medicamentos que reciben, así como a aprender técnicas útiles para asegurar que su experiencia con la quimioterapia sea eficaz y manejable. Una enfermera de habla hispana estará disponible todos los martes.

Todos Los Martes
5:00 a 6:30 p.m.
◆ Redwood City Outpatient Center
450 Broadway Pavilion B
3rd Floor, Room B35, Redwood City
Llame para registrarse: 650-724-6140
Mindfulness Meditation
Receive instruction and practice in this blend of ancient wisdom traditions and modern neuroscientific research. Enjoy the peace and power of taking a pause in your day and learning valuable new skills that will serve you during treatment and beyond. Beginners welcome.

No registration necessary, just drop in.

Every Tuesday
3:30 pm – 4:30 pm
No class: 1/1, 5/28

Hoover Pavilion
211 Quarry Road
2nd Floor, Room 208, Palo Alto

Every Thursday
2:00 pm – 3:00 pm
No class: 1/3, 5/30

Stanford Cancer Center South Bay
2589 Samaritan Drive
3rd Floor, Room 3300A, San Jose

Nutrition Information
For Newly Diagnosed Cancer Patients
If you are interested in learning more about nutrition as you begin treatment, this class is for you! A cancer dietitian will teach you about nutrition-related side effects from cancer treatment. This class is for patients who have been diagnosed in the last 3 months or are less than 2 weeks into their cancer treatment. Patient and caregivers are welcome to attend together.

First and third Thursday of the month
12:30 pm - 1:30 pm
No class: 1/3

Stanford Cancer Center
875 Blake Wilbur Drive
2nd Floor, Room 2104, Palo Alto
Registration required. Call 650-725-9456.

1:00 pm – 2:00 pm

- **Stanford Cancer Center South Bay**
  2589 Samaritan Drive
  3rd Floor, Room 3300B, San Jose

Registration required. Call 669-233-2807.
Exercise & Fitness

Exercise for Health
Weekly classes to focus on core strength, functional movement and stability. The class uses bands and an individual’s own body weight to enhance range of motion, flexibility, balance and strength.

**Every Tuesday**
1:30 pm – 2:30 pm

*No class: 1/1, 5/28*

◆ Samyama Yoga
2995 Middlefield Road, Palo Alto

No registration necessary, just drop in.

Gentle Pilates
Practicing core stability can improve your range of motion, reduce muscular pain, improve back strength, and increase flexibility. The mindfulness aspect of this training renews energy, reduces stress and anxiety, and rejuvenates awareness of the body, mind, and spirit. This is the first step to regaining overall physical confidence and comfort.

**Every Friday**
2:00 pm – 3:15 pm

*No class: 1/4, 5/31*

◆ YogaSource
16185 Los Gatos Blvd, Los Gatos

No registration necessary, just drop in.

Living Strong Living Well
A Strength and Fitness Program
This 12-week, small group program is designed for adult cancer survivors who are deconditioned or chronically fatigued from treatment or disease. Goals are to help patients build muscle mass, muscle strength, flexibility, endurance, and functional ability.

Registration required.

For program dates, location, and enrollment information, go to LSLW.stanford.edu.

NIA | Non-Impact Aerobics
This mind/body conditioning program combines martial arts, modern dance, and yoga into a workout that is set to music. It empowers patients to connect with their body, mind, emotions, and spirit.

**Every Wednesday**
1:15 pm – 2:15 pm

*No class: 1/2, 5/29*

◆ Oshman Family Jewish Community Center
3921 Fabian Way, Palo Alto

No registration necessary, just drop in.
Personal Exercise Consultation

Meet with an experienced and certified exercise specialist are available to develop an exercise plan that meets your goals to regain your strength. Sessions are one-hour and include one follow-up phone call.

**Every Thursday**
10:30 am, 11:30 am, and 12:30 pm
*No consultation: 1/3, 5/30*

**Stanford Cancer Center**
875 Blake Wilbur Drive
1st Floor Desk, Palo Alto

Registration required. Call 650-725-9456.

**Every Wednesday**
11:30 am and 12:30 pm
*No consultations: 1/2, 5/29*

**Stanford Cancer Center South Bay**
2589 Samaritan Drive
3rd Floor, San Jose

Registration required. Call 669-233-2807.

---

Tai Chi

Tai Chi is a slow, graceful and rhythmic exercise. It stretches and tones the body, increases strength, flexibility, and balance, and helps reduce stress and anxiety. The step-by-step teaching makes it easy to learn and follow. The friendly and positive atmosphere will help you achieve the goals of finding peace of mind and harmonizing internal energy.

No registration necessary, just drop in.

**Every Monday**
1:45 pm – 3:15 pm
*No class: 12/31, 1/21, 5/27*

**YogaSource**
16185 Los Gatos Blvd., Los Gatos

**Every Thursday**
12:00 pm – 1:00 pm
*No class: 1/3, 5/30*

**Ladera Oaks**
3249 Alpine Road, Portola Valley
Yoga

Yoga is a total body conditioning activity. It can increase mobility and range of motion, improve circulatory flow, and relieve muscular tension. These classes are for students who can get on the floor without help.

No registration necessary, just drop in.
For questions, please call 650-725-9456.

Spa-like services are available several times a week while you receive your chemotherapy. Schedule posted weekly in the Infusion Treatment Area.

◆ **Stanford Cancer Center**
Infusion Treatment Area
875 Blake Wilbur Dr., 2nd Floor, Palo Alto

---

**The Stanford Storybank**

*Created in Partnership with StoryCorps*

Everyone has a story. Storytelling emphasizes our shared humanity and deepens understanding of self and others. StoryCorps story is an audio-recorded 40-minute conversation between two people. Stories can be archived in the US library of Congress in Washington, DC as part of the oral history project.

The Stanford Storybank creates space for patients, families, and staff at Stanford Health Care to share their experiences, providing an opportunity for all to learn, connect, heal and inspire.

To share your story or ask questions about this project, email cicare@stanfordhealthcare.org.

---

**Quit Smoking at Stanford Cancer Center**

Quitting smoking is not an easy task. The Tobacco Cessation Program at Stanford Health Care focuses on providing the latest comprehensive, individualized, evidence-based treatment to help patients quit smoking or tobacco.

For questions please call 650-498-9111 (select option 2).

---

**Wig Bank**

In partnership with the American Cancer Society, wigs are available for women undergoing cancer treatment who are experiencing or anticipating hair loss. An experienced volunteer will personally assist in wig selection.

**Second Thursday of the month**
