

Stanford Health Care Tri-Valley

2024–2025

Health Care
Tri-Valley

Stanford Health Care Tri-Valley provides high-quality care rooted in science and compassion to support the health and well-being of its community in the East Bay and beyond. The hospital is an integral part of the adult health care delivery system of Stanford Medicine.

In 2025, Stanford Health Care is celebrating ten years of serving the Tri-Valley, continuing a 60-year legacy of care and providing advanced technologies and specialized services to this community.

Awards & Recognition

The **Stanford Medicine Cancer Center** is part of the Stanford Cancer Institute, an **NCI-Designated Comprehensive Cancer Center**.

National Accreditation Program for Breast Cancer

Stanford Health Care Tri-Valley is fully accredited by the National Accreditation Program for Breast Centers, administered by the American College of Surgeons.

American Heart Association's Gold Plus Get With The Guidelines® – Stroke Quality Achievement Award

Stanford Health Care Tri-Valley received this award for its commitment to ensuring stroke patients receive the most appropriate treatment according to nationally recognized, research-based guidelines, ultimately leading to more lives saved and reduced disability.

International Board of Lactation Consultant Examiners

Stanford Health Care Tri-Valley received the International Board Certified Lactation Consultant® (IBCLC®) Care Award in recognition of staffing professionals who hold the prestigious IBCLC certification and provide a lactation program. In addition, the facility demonstrated that it has provided training for nursing, medical, and other staff who care for breastfeeding families, and it has implemented special projects that promote, protect, and support breastfeeding.

Stanford Medicine is an integrated academic health system comprising the Stanford School of Medicine and pediatric and adult health care delivery systems. Together, we harness the full potential of biomedicine through collaborative research, education, and clinical care.

Data is based on 2024–2025 health system statistic for Stanford Health Care Tri-Valley only.
